

## Amethyst Bio-Mat Professional

The BioMat is a “pad” which lies on top of a massage table or your home mattress. It converts electricity through a computerized control panel, produced by Texas Instruments, into Far Infrared Rays (FIR), nature’s invisible light. FIR was discovered by NASA to be the safest, most beneficial light wave. This reduces swelling, increases blood flow and has been shown to destroy cancer and viral cells without harming surrounding healthy cells. It penetrates 6-8 inches into the innermost recesses of the body, stimulating healing and regeneration of nerves and muscle tissue layers.

The BioMat also produces Negative Ions, nature’s energizer, which deliver a molecular level massage. This accelerates and deepens all healing and cleansing processes. It balances pH by decreasing acidity and is considered the “Master Power Switch” which activates the body’s entire cellular communication system, making every body function work better! Negative Ions alleviate allergies, migraines and sinus problems.

These two components are transferred through Amethyst Quartz channels which cover the entire BioMat’s surface. Amethyst Quartz is nature’s Super Conductor, scientifically found to offer the steadiest, most powerful delivery of healthy far infrared light waves and the highest vibrational frequencies into the body. It is known to be a powerful detoxifier, assisting in releasing its user from addictions such as alcohol, food and substance abuse, as well as hangovers and toxic residues. It also produces naturally occurring far infrared waves.

This technology is being used in spas and professional practitioner’s offices all over the world. Physical therapists, chiropractors and acupuncturists are realizing the benefits for their clients. Boeing and Microsoft have placed them in their buildings for employees to use. So start today by being proactive about your health and well being. A good nights sleep or a mere 25 minute nap on the BioMat, can go a long way to ensuring that the years ahead of you will be healthier, enabling you to be more active and enjoy life’s journey to it’s fullest!

BMP Size	700 x 1880mm / 27.56"x74"
Net Weight	13kg / 28lb Without Controller
Electric Consumption	160W
Voltage	AC 120
Performance Temperature	35C-70 / 95F-158F
Amethyst Size	5mm - 12mm
Amethyst Color	Natural Violet Clear
Cut & Shape	Tumbled
Polariscope Test	Dr
Refractive Index	1.544-1.553
Fluorescence LW	No Refraction, Natural factor
